an introduction to people leadership and project management

think about this situation two managers are equally skilled but only one of them is a team player who will the boss hire or promote the answer is obvious the one who s really good at leading people employers don t seek only for professional expertise and experience in their employees they are also looking for unique qualities such as character traits interpersonal and communication skills that will help leaders motivate people inspire and deliver a clear and enlightening vision you will be able to stand out and advance fast in your career if you have these traits this is my invitation to unleash the essence of leadership and management

leadership isn t about having all the answers it s about asking the right questions and creating the conditions for a team to thrive when marcia hughes is unexpectedly promoted to lead a high stakes project team she steps into more than just tight deadlines and demanding clients she inherits mistrust misalignment and conflict within her own group with no formal leadership training she must navigate the messy reality of human dynamics while keeping delivery on track team leaders toolbox earn trust motivate people and lead with confidence is a compelling business parable for new and aspiring team leaders through marcia s journey readers experience the turning points missteps and breakthroughs that transform a group of capable individuals into a

high performing team this engaging story driven book weaves practical leadership tools into an accessible narrative readers will learn how to earn trust without formal authority motivate individuals with different personalities and work styles lead difficult conversations and resolve conflict constructively bring clarity and focus to chaotic projects apply structured tools such as skills matrices goal maps and delegation models build sustainable habits for team alignment and performance based on over 30 years of real world leadership experience the frameworks inside team leaders toolbox are designed to be practical adaptable and immediately actionable whether you lead in technology consulting operations or any fast moving environment you'll find strategies you can apply right away marcia's challenges mirror those faced by countless first time leaders balancing delivery with people management shifting from doing the work to enabling others and creating an environment where diverse talents align toward a common goal the lessons she learns about trust communication and shared ownership will resonate with readers in every industry ideal for technical professionals moving into leadership roles new managers seeking confidence and anyone who wants to strengthen their ability to guide teams through change team leaders toolbox offers both inspiration and a clear repeatable process for success lead with confidence build alignment and transform your team starting today

the effective team leader's guide practical tips scenarios team building games why leadership matters leadership is more than a job title it is the ability to influence inspire and guide people toward a common vision a good team leader doesn't just focus on results they also nurture trust growth and collaboration among their team in today's workplace the role of a team leader is more important than ever with hybrid work cultural diversity and constant change leaders must balance people management with organizational goals this book is designed as a practical guide not theory heavy but action oriented by the time you finish reading you will understand what makes an effective leader be equipped with tools for handling common challenges have a collection of team building games to strengthen bonds know how to motivate and inspire your team long term

it's monday morning and you have a knot in your stomach as you think of going to work you recently started a new job as a team leader you were very excited in the beginning but it has been a tough week your team members don't seem too happy with you people have been skipping meetings you've been drowning in emails and requests two of your team members are not even talking to each other and your new boss wants you to present your team's plans for the year when you have barely a plan for next week you are realizing you actually have no clue how to be a team leader sure you're great at what you do and you've been a great team player but nothing in your professional training taught you how to do this this being putting together a team actually putting together an amazing team how do you bring together disparate characters and create something bigger and better than the sum of the parts how do you achieve the goals you've promised to the organization and to yourself goals which can only be accomplished through teamwork what do you do when conflict explodes how do you ensure that managing your team's request doesn't eat up all your time unless you actually studied for a career in management or business administration chances are you were never taught anything about team leadership and managing people this book is for you if you have just started as a team leader at work in a sport or a hobby or when volunteering but have never learned about leadership and management in your career b you have been a leader for a while but are currently facing a crisis period and feel you don't have the tools to

resolve it or if you want to learn new ways to strengthen your team get better results and build a better work environment this book is a practical guide to accompany you through the process of becoming a great leader and putting together a dream team it will show you how to identify the leadership skills you already possess and build on them successfully transition from team member to team leader get rid of overwhelm and learn to manage your time achieve your team goals through smart planning and follow up strategies manage the team formation process to create a strong cohesive team maintain smooth communication by establishing solid systems help your team members avoid or overcome demotivation and burnout resolve conflict constructively this book focuses both on developing the mindset that can help you become a great team leader and on building the strategies that will help you reach your goals maintain team spirit and communication and prevent conflict this is the book i wish i had when i started as a team leader years ago i've put together all the best strategies i researched and tested through my own journey as a leader after reading this book and testing the practical ideas in it within weeks you'll see positive changes in how your team relates to you and to each other you'll feel empowered you'll have a clear vision of who you want to be as a leader and what you want your dream team to look like and most importantly the tools and the plan that will make that vision a reality my goal with this book is that you will find simple easily implementable solutions to the problems that now seem insurmountable that tomorrow instead of dreading your team meetings you'll start looking forward to interacting with your team that in a few weeks from now the grey cloud of dread boredom and stress hanging over you every monday morning when you have to hit the office will disappear and the sky will look bright blue as you go re join that dream team of yours for another week of astounding successes the journey starts here it's a fun one

become a team leader no matter what role you play in your team this self study training guide puts the power of participative leadership into the hands of every manager trainer consultant and team member struggling to help teams succeed packed with more than eighty new and field tested tools tools for team leadership solves the mystery of why some teams regardless of talent succeed while others fail and delivers everything you need to master the x factor skills of team leadership

as a team leader do you believe you can make a real difference to the performance of your team if you do create a winning team will help you do just that this book is a practical and commonsense guide to successful team working it focuses on the skills that team leaders need to develop to work together effectively unlike most books about team work which focus on team building events and games not the practical day to day challenges of getting great results with a straightforward down to earth no nonsense style avoiding unnecessary jargon and using concrete examples and case studies from young high performing junior managers working in an international environment the author covers the often practical actions a team leader can do that really make a difference and which you're unlikely to learn on a leadership course like pitching in now and again and making people tea the content is built around a logical structure consisting of a set of questions e g what do teams do how will your team succeed how do you create a balanced team the chapter headings themselves tell a clear story and stimulate the reader to continue

what makes some teams achieve extraordinary outcomes while other fall disappointingly short of the mark frank lafasto and carl larson have systematically explored that question for more than 20 years in 1989 they published the best selling book teamwork what must go right what can go wrong which reported the results of an in depth study of some of the most successful teams in recent history and identified the eight characteristics of high performance teams when teams work best advances this groundbreaking research by probing more deeply inside the workings of hundred of teams some effective and some faltering for over a decade the authors collected and analyzed responses from more than 6 000 team members and leaders across a variety of industries in both public and private sectors to find out exactly what conditions help or hinder teams in achieving their goals the voices of these team members often eloquent always enlightening are heard through the quotations that appear throughout the book

team working is vital to organizational success this up to the minute consideration of the roles played by teams and leaders is designed for students and professionals who require practical examples to bring the concepts of team leadership to life with examples from across the globe and a careful blend of theory and practice the book is intended to inform the debate about how teams should be employed in work situations website links and additional reading material to assist in the study of team leadership are included on an ancillary website

hold your thoughts and ideas about team leaders responsibilities till you read this book the book forms an essential part of how to be a good team leader and how to develop your skill to be able to lead and deal with people in calm and professional ways i have over thirty five years of experience as team leaders on how to lead a team of workers to achieve the required results and this book will provide ideas and help to any team leader who wants to improve their skills the book deals with the daily problems team leaders face with many examples of how to stay on top and handle stress and any difficult situation in this book you ll learn how to do the following be a good leader and figure out how to lead your team handle and deal with conflict motivate yourself and your team use time management develop a vision and goals for your team be a good communicator lead by example

the adlerian team leader is a three part book that provides frameworks to support the different elements of a team leader s job managing the people the development process and professional interactions many times a team leader is thrown into the new job without guidance this book will guide you to either becoming a great team leader or instructing your team leaders on how to motivate and maintain a productive team while delivering great products with high professional performance leading a software team is a huge challenge because the job literally clashes two very different human intelligences the emotional quotient and the intellectual analytical quotient a software team leader is a juxtaposition of responsibilities he or she is a leader of spirit while equally a leader of practice these two very different skill sets need to be put into play in order to do this job successfully team leaders are commonly former developers however the jump from managing lines of code to managing real human beings is sharp a good team leader needs to know how to lead the people to success in addition to solving the

technical problems as it turns out the set of skills required to be a great developer are not the same set of skills required to lead a development team and as developers are the team leaders teaching leadership to developers thrust into leadership is critical

in the ever changing world of work the idea of spending some or all of your time working in teams is becoming more and more common from solving problems to tackling projects to providing organizational leadership the roles and importance of teams continue to grow leading a team is no easy job but when a team gels they can far outperform traditional work groups managing teams for dummies is for anyone who has been asked to take on the role of team leader this book can help you manage your team whether you're a senior manager or worker who doesn't have supervisory responsibilities but has become the point person on a specific project managing teams for dummies can help you build and lead high performing teams packed with tips on setting and reaching goals resolving conflicts leading teams through change and providing team members with the skills to work together productively this book will help you keep any team you manage focused and efficient managing teams for dummies will also take you beyond the conceptual idea of teams and provide practical advice for developing groups that become winning teams describe the type of leadership needed to guide teams successfully and prepare you for challenges that arise reveal the three cornerstones model for developing team success and provide how to strategies to make them happen discuss the types of teams that are growing in popularity namely self directed teams project teams and task teams teams make it possible to bring together the variety of skills perspectives and talents that you need in the contemporary workplace with managing teams for dummies you can make sure your team performs to the best of its ability and while trying to achieve its goal
